

How to Create a Member Login with Performance Waterjet

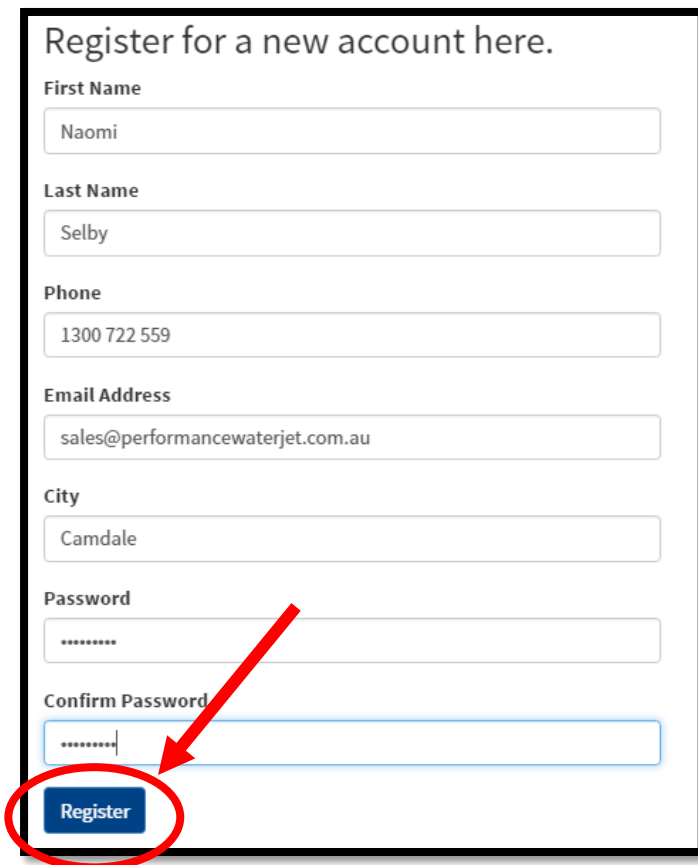

Step 1: Go to www.performancewaterjet.com.au and click on “Member Login” on the top right hand side of the page. (Or go straight to the Member Login page [here](#).)

Step 2: Fill in your details under the heading “Register for a New Account here.” If we don’t have all the details required, we may not be able to issue you with a login.

Step 3: Your form will look something like this. Please fill in the form with your best email address and phone number so we can contact you directly if we have any issues. When you're done, click "Register."

Register for a new account here.

First Name

Step 4: You will then be taken to the "Thank you for signing up" page.

Thank You For Signing Up

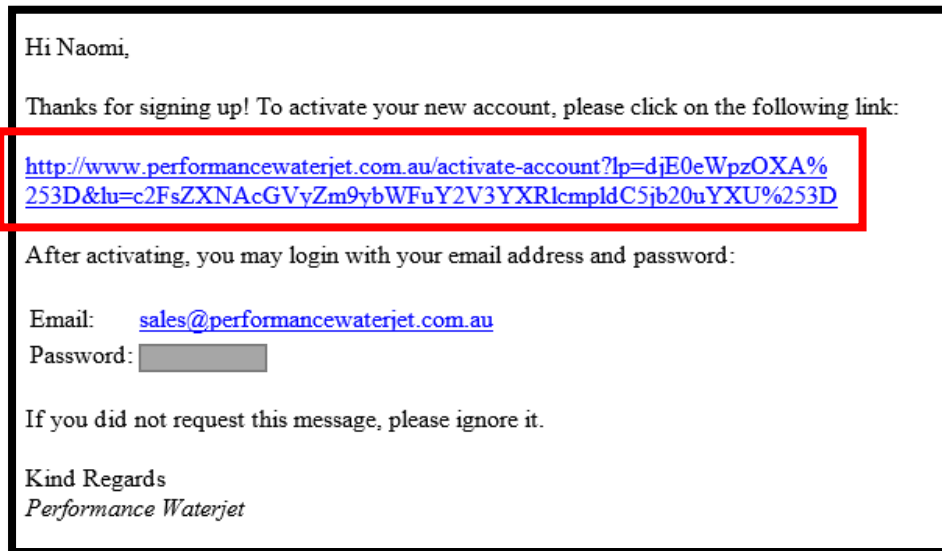

Thank you for signing up! An email has been sent to the specified email address. Before you can log in, your application will be reviewed by Performance Waterjet on or before the next business day. You must follow the directions in the email to activate your account. Once your application has been approved, you will be able to view current pricing and stock levels of parts we have available, and purchase online at any time. In the meantime, please [contact us](#) if you have any questions.

Need more information about our waterjet cutting systems?

Step 5: Check your email for a message with the following subject line: *“Please activate your account!”* Then click on the link to verify your email address.

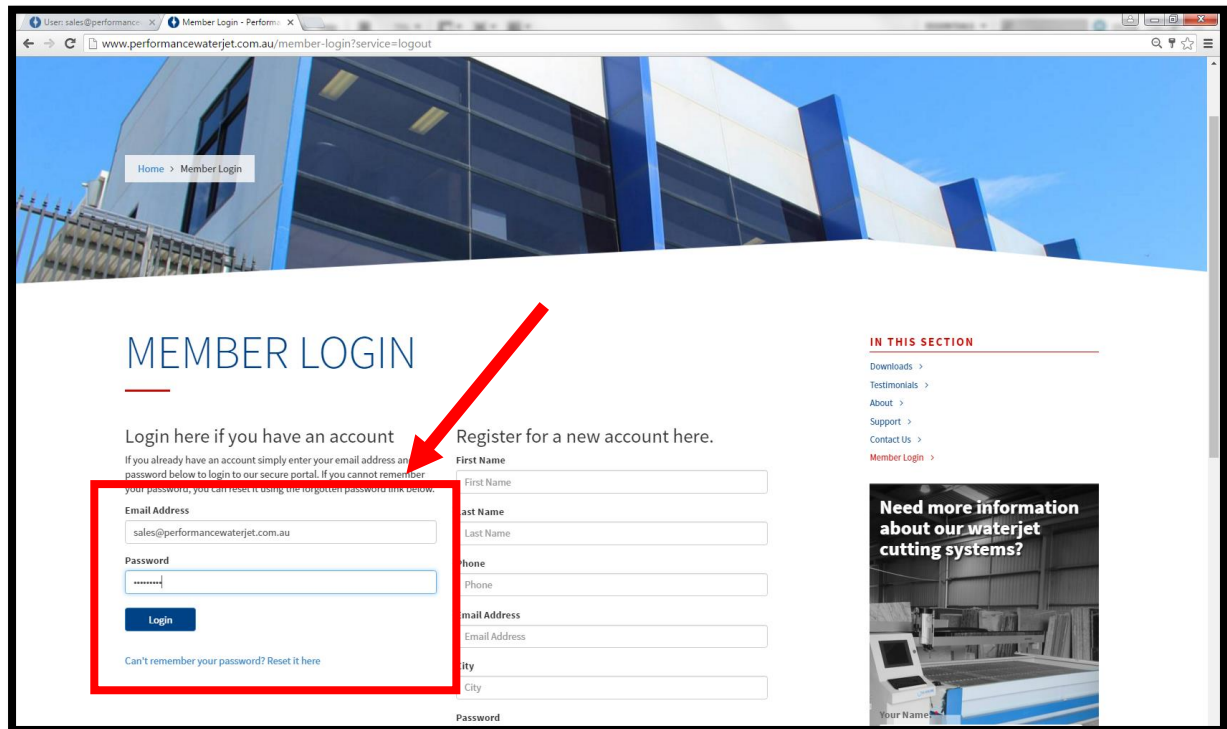

Step 6: When you have clicked the link, you will be taken to a page that looks like this:

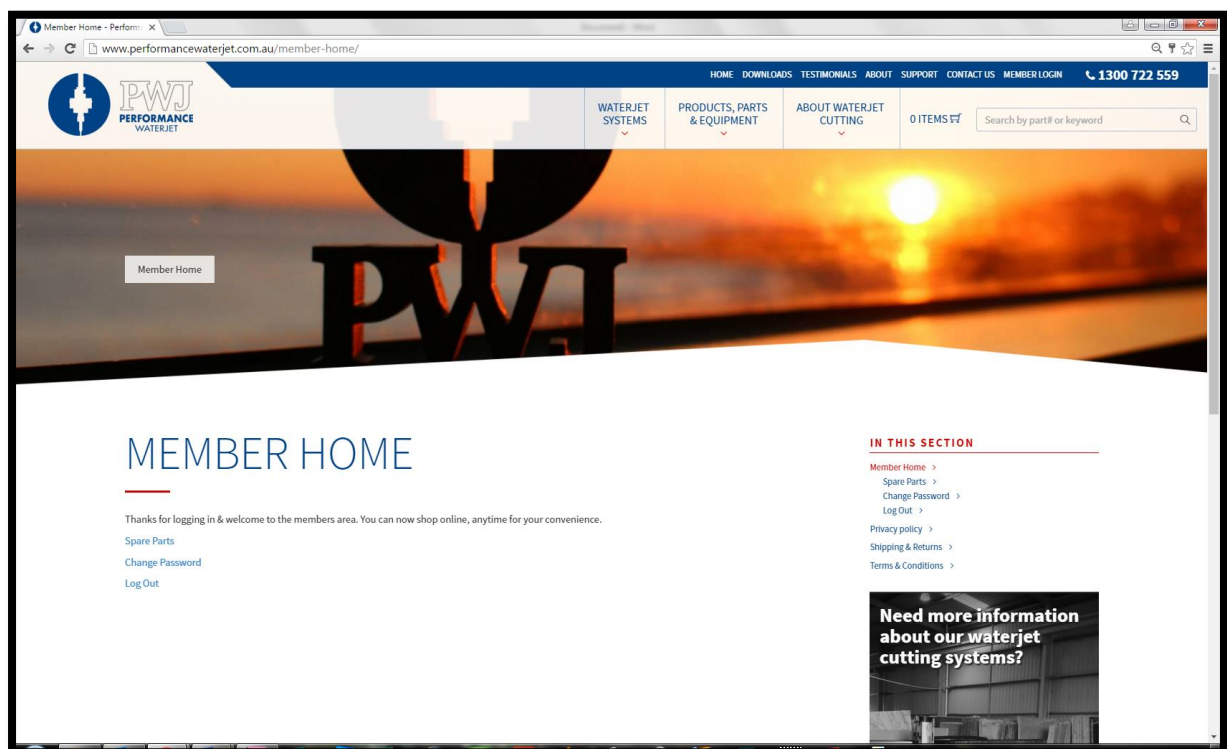

This means that you have successfully verified your email address and your member login application has successfully been submitted to us for approval.

Step 7: Once your application has been reviewed (24-48 hours), you will receive an email from us to say your application has been approved. You can then go to the “Member Login” tab (or click [here](#) to

be taken to the page) and enter your email address and your chosen password. You can also reset your password if you have forgotten it.

Step 8: If your login was successful, you will be taken to the page below:

Congratulations! You can now view prices and [shop online](#) anytime at your convenience!
