**Re: Nexus waterjet cutting system**

Dear Lester & Staff at PWJ.

I am writing to express our thorough satisfaction of the purchase of our new Nexus Waterjet machine.

From our initial enquiry of a waterjet machine, (which was only a concept in our minds), to the actual cutting trials and proofs that the machine will be suitable for our production demands, PWJ have proved to be an experienced waterjet cutting specialist.

Your recommendation of equipment and options needed, ordering, delivery, installation and training, was everything that was required for a complete turnkey operation.

We are convinced that this partnership with Performance Waterjet, Soitaab and Sureweld will continue and strengthen for years to come.

We sincerely thank you for your integrity & quality of service.
